Bread of Life Springs Dance Company

'Danced, joyous and living expression of Jesus and his friends'

'So moving...absolutely blown away'

Photography by Jill Mead

Springs has been running for over 35 years and is a professional dance company, which delivers work that is richly expressive of the Christian faith and values. The attached documents detail Springs Dance Company's deeply moving and captivating performance called **Bread of Life**, which we have available for churches to book for Lent and Easter 2018. A reflection on the last supper, **Bread of Life** celebrates the meal of bread and wine through this stirring depiction of how God is building a community of love with Jesus himself at the centre.

This Lent and Easter rediscover the living, breathing **Bread of Life**, through this stirring depiction of how God is building a community of love with Jesus himself at the centre.

Bread of Life

"A powerful and moving performance."

"Amazing, heart-felt, inspirational."
